This is a decision on the petition under 37 CFR 1.181, filed May 15 2009, to review the Examiner's action and to withdraw the Examiner's objection to the Declaration of August 26, 2008.

**The petition is granted.**

Applicant asserts that the declaration filed August 26, 2008 properly sets forth an error in accordance to 37 CFR 1.175(a)(1) and that the declaration submitted in the reissue application should be accepted.

A review of the file record indicates that applicant sufficiently states an error that supports the reissuing of the patent and the Declaration filed August 26, 2008 complies with the requirement of 37 CFR 1.175(a)(1) and MPEP 1414.

Accordingly, the Examiner's objection to the Declaration filed August 26, 2008 is hereby withdrawn. The application is being returned to the examiner for further examination consistent with this decision.

Any inquiries regarding this decision may be directed to Diane Lee at (571) 272-2399.
